STANDARD BID CONDITIONS

H-17-210P

1. **ACCEPTANCE AND REJECTION:** The Arkansas State Highway and Transportation Department (AHTD) reserves the right to reject any or all bids, to accept bids in whole or in part (unless otherwise indicated by bidder), to waive any informalities in bids received, to accept bids on materials or equipment with variations from specifications where efficiency of operation will not be impaired, and to award bids to best serve the interest of the State.
2. **PRICES:** Unless otherwise stated in the Bid Invitation, the following will apply: (1) unit prices shall be bid, (2) prices should be stated in units of quantity specified (feet, each, lbs., etc.), (3) prices must be F.O.B. destination specified in bid, (4) prices must be firm and not subject to escalation, (5) bid must be firm for acceptance for 30 days from bid opening date. In case of errors in extension, unit prices shall govern. Discounts from bid price will not be considered in making awards.
3. **BID BONDS AND PERFORMANCE BONDS:** If required, a **Bid Bond** in the form of a cashier's check, certified check, or surety bond issued by a surety company, in an amount stated in the Bid Invitation, must accompany bid. **Personal and company checks are not acceptable as Bid Bonds.** Failure to submit a Bid Bond as required will cause a bid to be rejected. The Bid Bond will be forfeited as liquidated damages if the successful bidder fails to provide a required Performance Bond within the period stipulated by AHTD or fails to honor their bid. . When a bidder claims and can show clear and convincing evidence that a material mistake was made in the bid and was not the bid intended, the bidder may be permitted to withdraw their bid prior to award without forfeiture of bid bond. Cashier's checks and certified checks submitted as Bid Bonds will be returned to unsuccessful bidders; surety bonds will be retained. The successful bidder will be required to furnish a **Performance Bond** in an amount stated in the Bid Invitation and in the form of a cashier's check, certified check, or surety bond issued by a surety company, unless otherwise stated in the Bid Invitation, as a guarantee of delivery of goods/services in accordance with the specifications and within the time established in the bid. **Personal and company checks are not acceptable as Performance Bonds.** In some cases, a cashier's check or certified check submitted as a Bid Bond will be held as the Performance Bond of the successful bidder. Cashier's checks or certified checks submitted as Performance Bonds will be refunded shortly after payment has been made to the successful bidder for completion of all terms of the bid; surety bonds will be retained. Surety bonds must be issued by a surety company authorized to do business in Arkansas, and must be signed by a Resident Local Agent licensed by the Arkansas State Insurance Commissioner to represent that surety company. Resident Agent's Power-of-Attorney must accompany the surety bond. Certain bids involving labor will require Performance Bonds in the form of surety bonds only (no checks of any kind allowed). These bonds shall not only serve to guarantee the completion of the work, but also to guarantee the excellence of both workmanship and material until the work is finally accepted and the provisions of the Plans, Specifications, and Special Provisions fulfilled. In such cases, the company issuing the surety bond must comply with all stipulations herein and must be named in the U. S. Treasury listing of companies holding Certificates of Authority as acceptable sureties on Federal Bonds and as acceptable reinsuring companies. Any excess between the face amount of the bond and the underwriting limitation of the bonding company shall be protected by reinsurance provided by an acceptable reinsuring company. Annual Bid and Performance Bonds on file with E & P Division must have sufficient unencumbered funds to meet current bonding requirements, or the bid will be rejected, unless the balance is submitted as set forth above, prior to bid opening.
4. **TAXES:** The AHTD is not exempt from Arkansas State Sales and Use Taxes, or local option city/county sales taxes, when applicable, and bidders are responsible to the State Revenue Department for such taxes. These taxes should not be included in bid prices, but where required by law, will be paid by the AHTD as an addition thereto, and should be added to the billing to the AHTD. The AHTD is exempt from Federal Excise Taxes on all commodities except motor fuels; and excise taxes should not be included in bid prices except for motor fuels. Where applicable, tax exemption certificates will be furnished by the AHTD.
5. **"ALL OR NONE" BIDS:** Bidders who wish to bid "All or None" on two or more items shall so stipulate on the face of bid sheet; otherwise, bid may be awarded on an individual item basis.
6. **SPECIFICATIONS:** Complete specifications should be attached for any substitution or alternate offered, or where amplification is necessary. Bidder's name must be placed on all attachments to the bid.
7. **EXCEPTIONS TO SPECIFICATIONS:** Any exceptions to the bid specifications must be stated in the bid. Any exceptions to manufacturer's published literature must be stated in the bid, or it will be assumed that bidder is bidding exactly as stated in the literature.
8. **BRAND NAME REFERENCES:** All brand name references in bid specifications refer to that commodity or its equivalent, unless otherwise stated in Bid Invitation. Bidder should state brand or trade name of item being bid, if such name exists.
9. **FREIGHT:** All freight charges should be included in bid price. Any change in common carrier rates authorized by the Interstate Commerce Commission will be adjusted if such change occurs after the bid opening date. Receipted common carrier bills that reflect ICC authorized rate changes must be furnished.
10. **SAMPLES, LITERATURE, DEMONSTRATIONS:** Samples and technical literature must be provided free of any charge within 14 days of AHTD request, and free demonstrations within 30 days, unless AHTD extends time. Failure to provide as requested within this period may cause bid to be rejected. Samples, literature and demonstrations must be substantially the same as the item(s) being bid, unless otherwise agreed to by AHTD. Samples that are not destroyed will be returned upon request at bidders expense. Samples from successful bidders may be retained for comparison with items actually furnished.
11. **GUARANTY:** Unless otherwise indicated in Bid Invitation, it is understood and agreed that any item offered or shipped on this bid shall be newly manufactured, latest model and design, and in first class condition; and that all containers shall be new, suitable for storage or shipment and in compliance with all applicable laws relating to construction, packaging, labeling and registration.
12. **BACKORDERS OR DELAY IN DELIVERY:** Backorders or failure to deliver within the time required may constitute default. Vendor must give written notice to the AHTD, as soon as possible, of the reason for any delay and the expected delivery date. The AHTD has the right to extend delivery if reasons appear valid. If reason or delivery date is not acceptable, vendor is in default.
13. **DEFAULT:** All commodities furnished will be subject to inspection and acceptance by AHTD after delivery. Default in promised delivery or failure to meet specifications authorizes the AHTD to cancel award or any portion of same, to reasonably purchase commodities or services elsewhere and to charge full increase, if any, in cost and handling to defaulting vendor. Applicable bonds may be forfeited.
14. **ETHICS:** *"It shall be a breach of ethical standards for a person to be retained, or to retain a person, to solicit or secure a State contract upon an agreement of understanding for a commission, percentage, brokerage, or contingent fee, except for retention of bona fide employees or bona fide established commercial selling agencies maintained by the contractor for the purpose of securing business."* (Arkansas Code, Annotated, Section 19-11-708).

1. Prior to preparation and submission of proposal, prospective bidders must contact the District Office Manager or the District Maintenance Engineer at (870) 251-2374 to arrange for inspection of the area and to review details of the services to be provided.
2. Security is to be provided to replace specific shifts previously assigned to regular Department guard employees. A shift period will usually be no less than 8 hours and no more than 15 hours, as needed. The need will be as determined by District Administration.
3. The duties of the Guard assigned to this operation will be as follows:
 - To protect and safeguard the Department's property, equipment and other assets from fire, theft, vandalism and injury, to seek out and report fire, theft or other unauthorized occurrences and to enforce Department regulations and policies pertaining to security.
 - To receive and handle appropriately, incoming telephone and radio calls, and relay any pertinent information to the appropriate Department personnel.
 - To make rounds on an hourly basis, or as directed, at locations specified by the Department.
 - To make reports and record as needed in the guard log.

This is not intended to be all inclusive but only to give examples of job duties. Other logical and related duties may be assigned and will be expected to be performed.

4. Each guard shall report for duty at the scheduled duty time for briefing by the guard being relieved, or by the District Office Manager in case of any new instructions. Guards shall remain on duty until they are properly relieved or until the security period has ended **and** the regular daytime office employees have begun their activities. Each guard shall log in and log out appropriately in the events log. The security area is not to be left unattended at any time during the security periods set forth by District Administration.
5. In the event a Department employee must be assigned by the Department to perform those guard duties during any tardiness or absence of the guard, the guard company will be charged \$15.00 for each full hour and/or portion of an hour that a Department employee performs such guard duties. Said hourly charges shall be deducted from the guard company's monthly invoice. Further, in the event that said hourly charges equal or exceed forty (40) hours in any consecutive thirty (30) day period, the Department may consider this contract to have been breached by the guard company.
6. The Guard Station will generally be the shop office. Guards are to remain at the Guard Station except when making clock rounds or when their duty-related services are needed elsewhere. Guards are not to sit at, or use equipment at, employees' desks other than at the Guard Station, except for the performance of assigned duties.
7. Clock keys are to be punched every 40-60 minutes. Any exceptions must be reported to and approved by the District Office Manager.

8. **All** persons entering or leaving the complex before or after regular working hours must provide appropriate information and sign the visitors' log provided for that purpose. Specific instructions concerning admission to buildings and grounds will be provided by District Administration.
9. Guards shall not fraternize with Department employees while either is on duty. Guards are expected to be pleasant and courteous, but to carry on no unnecessary or inappropriate conversation. They are to be helpful, but are not to be negligent of their assigned duties or hinder work of Department employees.
10. Guards shall not have visitors while on duty. This is a State Government facility and will be treated as such. Personal phone calls should be held to minimum. All long distance calls shall be logged. Personal and non-work related long distance calls are not permitted..
11. Guards shall not reveal any information concerning this security assignment, on or off duty, to anyone except Security Company and designated Department officials, and fellow guards who need such information to carry out their assignments.
12. Any changes in orders concerning this assignment must come from one of the following, in order of priority: District Engineer, District Maintenance Engineer, District Construction Engineer, or District Office Manager.
13. **Guards shall not be armed on this post.** As indicated above, the duty of the guard is to observe and report improprieties to Department supervisors and/or the appropriate law enforcement or emergency agencies.
14. The successful bidder must have Workers' Compensation Insurance coverage for each employee involved in this assignment, Public Liability and Property Damage Insurance coverage, and insurance to cover breakage and/or pilferage of Department and Department employees' property. Certificates of Insurance must be furnished before the employee performs any guard service.
15. Documentation indicating results of background investigations on any guard to be assigned (including any arrests and/or convictions for law violations, employee counseling for policy violations, etc.) must be furnished.
16. Documentation of any drug test results on any guard to be assigned must be furnished. Compliance with the Department's "Drug Free Workplace" policy is required.
17. The Department reserves the right to terminate this contract upon giving the successful bidder thirty days written notice of intent to terminate.
18. The Department reserves the right of refusal, with reason, of any of the company's employees being allowed to work on Department grounds.
19. The Department reserves the right to require immediate replacement of a Security Company employee if it is discovered that an impropriety occurred while the employee was on duty at the Department. (i.e. use of drugs, alcohol, controlled substance, unauthorized visitors, unauthorized entry, unauthorized use of equipment, possession of contraband, violation of law, gross negligence, presence of firearms, etc.)

20. The Department reserves the right to require replacement of any employee found not to be performing their assigned duties.
21. The successful bidder shall invoice the Department on a monthly basis following the performance of services, noting total hours and hours per week or portion thereof.
22. The Security service must have a local contact in the immediate area of the facility being served to handle absenteeism or other related problems.
23. Bids shall be submitted for services to be provided and the proposed hourly rate shall include all costs to the Department, including holiday and/or overtime pay, as well as the training of newly assigned personnel. The Department's basic schedule will entail the performance of Guard duties for a total of approximately 6400 hours per year, including Department recognized holidays.
24. The Department may extend the terms of this contract by written notice to the contractor at least 30 days before the contract expires, or contract as extended, expires. The expiration date of this contract will be June 30, 2017. Any extension will be at an agreed upon hourly rate not exceeding the applicable renewal rate shown on the proposal. Any extension shall be for a period of one year, and up to six extensions may be agreed to.
25. For award consideration and evaluation of the best bid, the proposing contractor's references and training program will be evaluated, and a bid value will be determined as being the total of:

6400 hours at the base bid hourly rate, plus;
6400 hours at the 1st year renewal rate, plus;
6400 hours at the 2nd year renewal rate, plus;
6400 hours at the 3rd year renewal rate, plus;
6400 hours at the 4th year renewal rate, plus;
6400 hours at the 5th year renewal rate, plus;
6400 hours at the 6th year renewal rate.

**ARKANSAS STATE HIGHWAY AND TRANSPORTATION DEPARTMENT
SPECIAL PROVISION
STANDARD OPERATING POLICIES AND PROCEDURES
GUARDS @ AHTD DISTRICT FIVE HEADQUARTERS – BATESVILLE**

SECTION I

PURPOSE AND APPLICABILITY: The purpose of this policy is to delineate the duties and responsibilities of District Five Headquarters Guard personnel. It is applicable to anyone performing Guard duties, either an AHTD employee as full time Guard, Contract Security Service Guard, or someone temporarily filling in at that position.

SECTION II

DUTY HOURS FOR GUARDS: Normally, members of the District Office Staff are at their work assignments from 7:30 a.m. until 4:00 p.m., Monday through Friday, except for Department recognized holidays. At all other times, a Guard will be scheduled to be on duty at the District Five Headquarters. Guards, either Contract Security Service or regular Department employees, will be under the direct supervision of the District Five Office Manager and will receive their instructions from that person or other members of the District Supervisory Staff. Related information may also be found in the Specifications for Contract Security Services (copy attached). Generally, a work schedule will be established for the various Guards. Schedule changes may be made when necessary to accommodate vacations, illnesses, holidays or vacancies, and Guards or the Contract Security Service will normally be advised directly.

When a Guard shift change is made or when a Guard is being relieved by the District Office Staff in the morning, the Guard going off-duty is expected to thoroughly brief the personnel coming on duty of any on-going situations or emergencies.

SECTION III

GUARD SECURITY CHECKS: The following is provided for general guidance in performing security rounds. During periods of absence from the Guard Station, the Guard shall carry the portable radio. In the absence of the radio, the Guard should conduct the security round as expeditiously as possible and return to the Guard Station.

A. INITIAL SECURITY CHECK: When the members of the District Staff leave for the day, the Guard should make a thorough check of the property and facilities to ensure everything is prepared for the oncoming Guard shift. Once a Guard has checked in for their shift they should not leave the facility until they are relieved. Guard checks should include, but are not limited to:

- Check the security of all yard buildings.
- Check perimeter fencing and gates.
- Check Resident Engineer Building/Materials Lab and adjacent buildings.
- Lock gates at **6:00 p.m.** (depending on AHTD seasonal work schedule.)
- Open gates at **6:00 a.m.** (depending on AHTD seasonal work schedule.)
- Turn on the security lights of Headquarters.
- Make sure the gas pumps and station are locked.
- Check kitchen/coffee pot area to make sure appliances are not left on.
- Check radio channel (normally left on "Almond")
- Make sure the main telephone console is set to 'NT'
- Make sure the District Headquarters building is secure by checking the outside doors and windows in the front office area, supervisor parking area, and shop.
- Other outside contract personnel shall be admitted and doors shall be secured during and after completion of their assigned duties.
- Check the doors in the storeroom area to make sure they are locked.
- Turn off non-essential lighting in the District Headquarters and turn the front porch light on.
- Make note of any questionable or abnormal situations or security concerns and discuss them with the District Equipment Maintenance Supervisor or the District Supervisory Staff.
- Keys found in vehicles subject to pilfering should be hung on shop keyboard.
- Vehicles with lights left on should be turned off.

B. SUBSEQUENT ROUNDS: During a working shift, the Guard should make security checks each hour, as a minimum. Since a predictable pattern is not particularly desirable rounds should be staggered. Hourly checks shall be made while carrying the security clock, and clock-in shall be made at all identified security stations, as well as a visual check of the front of District Headquarters building.

In the event of an intruder, immediately notify the Batesville Police Department (911), then notify the District Maintenance Engineer or District Equipment Maintenance Supervisor. If damage to property or facilities is noticed, notify one of the above supervisors. They will direct further action. If any situation arises that requires corrective action outside the scope of Guard personnel, notification should be made to supervisors mentioned above. Also, see **Section VI, Emergency Calls** for further clarification.

C. OPENING PROCEDURES: On weekdays, the District Headquarters is normally opened in preparation for the day staff during the 6:00 a.m. round. In addition to normal security checks and clock-ins, the following should be accomplished, as a minimum:

- Open the north and south gates.
- Turn on the office lights in the District Receptionist.
- Turn all external security lights off.
- Unlock the outside doors to the District Office Building.

SECTION IV

INCLEMENT WEATHER: During periods of inclement weather, security rounds may be temporarily suspended. Inclement weather increases the probability of incoming telephone calls alerting the Department to roadway hazards. Also, lightning and ice accumulation could pose a risk to Guard personnel. During periods of freezing precipitation, road crew operations may require that the Guard provide coordination assistance. The Guard should consider these factors when deciding to temporarily suspend security rounds.

If security rounds are temporarily suspended, the Guard should still make periodic visual checks of the yard and grounds area. A notation should be entered in the Guard Log to explain the reason for the suspension of the security rounds.

SECTION V

RADIO AND TELEPHONE USE: In all after-hours communications, the Guard is the AHTD contact point. In all communications, the Guard should be both professional and courteous. If a caller is trying to reach one of the day staff, the Guard may advise the caller of the appropriate time to call back, or may offer to relay a message. Actions taken by the day staff will be based on the relayed information, therefore, it is important that the Guard try to be as accurate as possible.

When a caller gives notification of a hazardous situation, the Guard should record the information, and make a determination whether to call the Area Maintenance Supervisor (refer to **Section VI** as well) or just record it for possible action during normal working hours. When the caller is from the police or another government agency, the Guard should inquire if the caller feels that an immediate response is necessary. The report of a “Stop Sign” or “Yield Sign” down requires an immediate response from Department personnel.

In radio communications, the Guard should be familiar with the Radio Operators Manual and shall utilize the 10-code. (*Shown in the Guard Information Manual*)

SECTION VI

EMERGENCY CALLS: When the Guard is made aware of an emergency situation, calling the appropriate Area Maintenance Supervisor is the first priority. They should refer to the maps posted in the Guard Station for assistance in determining the appropriate Area Maintenance Supervisor to call. Advise that supervisor of the situation as accurately as possible. Normally, they will call out crewmembers, but on occasion, they will have to make an on-site evaluation first. On those occasions, they may ask the Guard to call out members of their crew for them. The maintenance crew call order should be referred to prior to making these calls, unless the particular supervisor identifies specific personnel to be called.

In maintenance matters where the Guard or the Area Maintenance Supervisor feels the situation is significant, notification should be made to the District Maintenance Engineer. Normally, contact with the District Maintenance Engineer will indicate whether it is necessary to notify the District Construction Engineer or the District Engineer. Notify the appropriate member or members of the District Staff any time a situation is likely to significantly impact the public, or if AHTD actions or work might be critically viewed by the public or media.

Resident Engineers are the contact points for new construction projects (i.e. other than maintenance). Any information about problems with a construction project, or contractor associated with a project, should be relayed to the Resident Engineer responsible for that particular project. (*Refer to Resident Engineers' Project List*) If the Resident Engineer is unavailable, contact the District Construction Engineer for further instructions.

SECTION VII

ROAD CLOSURES: Whenever the Guard is notified that a road has become partially or completely blocked, the following needs to be determined:

- Is it a state road or county road?
- Reason for the blockage (accident, tree in the road, road flooded, etc.)
- Does AHTD personnel need to respond? (Road surface damage/debris.)
- Anticipated length of time before traffic can resume.
- Exact location of the blockage.
- Is traffic being rerouted? Does it need to be rerouted?
- If their assistance is needed, notify ASP if an officer is not already on the scene.
- Call the District Staff if they need to respond.
- Notify the Area Maintenance Supervisor if the closure will be for more than an hour.
- Notify Little Rock Central via FAX utilizing the "Major Occurrences" form if a total road closure will be for two hours or more (total closure to traffic)
- Other notifications/call outs may be required. If any are required, the Area Maintenance Supervisor or the District Maintenance Engineer will direct them.

SECTION VIII

WINTER WEATHER OPERATIONS: The onset of frozen precipitation can be the most demanding situation the Guard faces. On initial call out, the Guard normally faces numerous calls from the public and AHTD employees, requests from some Area Supervisors to call out crewmembers for them, and considerable increases in radio traffic. At the start of winter weather operations notify the District Maintenance Engineer. The Central Headquarters in Little Rock will also need to be notified that winter weather operations have begun. This will be followed by entries into the Department's Weather Reporting System by the District Maintenance Engineer when the various Area Maintenance Supervisors have had time to assess and report on their areas of responsibility.

During periods of adverse road conditions, the Guard should stay acutely aware of all road conditions in this District, and try to be cognizant of surrounding Districts' road conditions. Guards will be expected to relay accurate information between the public, Area Maintenance Supervisors, and the District Staff. Breakdowns in communication at these critical times can result in wasted manpower and increased exposure time to hazardous situations by the public.

SECTION IX

PUBLIC AND MEDIA CONTACT: The Guard can expect inquiries about road conditions and situations, and is expected to assist callers wherever possible.

The Guard should decline a media request for an interview (live or taped). While the Guard is expected to be as informative and helpful as possible, a request for an interview must be referred to the District Engineer. The District Engineer is solely responsible for public statements, and he should be contacted, if available. If unavailable, the District Construction Engineer or the District Maintenance Engineer will assume that responsibility.

SECTION X

AFTER HOURS SERVICE STATION OPERATION: On occasion, an AHTD unit will need access to the service station after hours for fuel. Similarly, Arkansas Highway Police units utilize the fuel facilities. When requested to do so, the Guard should open the District compound and the service station. The Guard should ensure that any user properly signs for fuel/oil received, and note on the Guard log which unit required service. The station and compound will need to be re-locked after the departure of the unit.

SECTION XI

CLEAN UP: The Guard will not be asked to perform routine janitorial duties. However, they will be expected to keep their duty area clean and they may be asked to assist the caretaker from time to time. Supervisory personnel may provide the Guards with more specific instructions as needs arise.

SECTION XII

AFTER-HOURS DELIVERIES & VISITORS: Guards at the District Headquarters will not normally be asked to conduct or know the functions of the storeroom. Occasionally, a vendor may arrive late (after normal office working hours) and ask the Guard to allow them to drop off an order. The Guard should advise the party making the delivery to return during normal office hours. The Guard should not sign any documents acknowledging the delivery or obligating the

Department for payment, unless instructed to do so by the District Storeroom Supervisor, the District Equipment Maintenance Supervisor or a member of the District Supervisory Staff. A questionable situation may be resolved by calling the Storeroom Supervisor for clarification or further guidance.

AHTD employees may have to access the District Headquarters after normal working hours, but they are required to sign the visitors' log. Forms for that purpose are to be kept near the front entrance. Non-employees must make arrangements for visits by contacting day staff personnel during normal working hours. The Guard shall not have visitors while on duty.

AHTD Identification Cards, with photos, are provided to each AHTD employee. The Guard should ask visitors to produce their AHTD ID Card for verification if they are not known to or recognized by the Guard as an AHTD employee. Likewise the Contract Security Service Company should provide their employees with Photo ID Cards to allow for easy identification by AHTD personnel.
