Message from the President

## John E. Watkins

What an unusual summer it has been. Who would have thought that the Covid-19 pandemic would still be controlling most of our activities in the fall of the year? But, here we are, and on it goes. I would think that the word has gotten around by now that there will be no statewide retirees meeting this year. The executive board was in unanimous agreement that we should not ask members to come to Bryant under the present circumstances. It's just too risky. We also actually did not have a meeting place at this time as the City of Bryant has closed Bishop Park to the general public.

It looks as if the board will probably recommend that the present officers be asked to continue on for 2021. The board will discuss this again in November. Hopefully we can get back to more normal schedule which will include the visits to all of the chapters.

Speaking of officers, please remember the national election on November 3, 2020. Please go vote if at all possible. More elections are determined by the voters who stay at home than actually vote. Remember, "If you don't vote, don't gripe".

Robyn provided me with some interesting information on the ASHERS investment portfolio. As of the end of June, the rate of return was 9.07% which I believe ranked in the top 5 retirement systems in the nation. ASHERS return was 2.41%.

I would like to give a special thanks to Robyn Smith and her staff for keeping all of the regular retiree business going as if everything is normal.

Please continue to stay safe and healthy and we will do our best to see everyone next spring.

**Sibyl Inez Maddox**, also known as "Mawmaw" passed away on June 16, 2020. She was an avid Razorback fan that loved to cook, play scrabble, and spent lots of time with her family. She was a mother of 3 and the widow of Clifford A. Maddox Jr., who she was married to for over 66 years.

Sibyl began her career at the Arkansas Department of Transportation in September 1963 as a Clerk-Typist, retiring in October of 1979. Sibyl was very active in the Retiree's Association, serving as the Secretary and Treasurer for District 6 from 1983 until 2002. For many years, you could also always find her smiling face taking your ticket at the Retirees' Association Annual Meeting.

At the age of 102, Sibyl was the oldest member of the Retirees' Association, as well as the oldest retiree at the Department of Transportation, being retired for over 41 years. Her dedication and service to the Association is greatly appreciated and she will be dearly missed.

## Address and Beneficiary Changes

Attention all retirees, if you move, please notify  
RoShunda Colclough at the

Arkansas State Highway Employees' Retirement Office at  
(501) 569-2532. Besides keeping your address and phone number current,  
you also need to keep your beneficiaries current. You should contact the  
Group Insurance Office at (501) 569-2417 for beneficiary updates on your  
group health or life insurance. Since 2001, the Retirement System  
provides an additional lump-sum benefit of \$7,500 payable to your  
beneficiary at the retiree's death. If you have any questions about this  
benefit or the beneficiary for this benefit, please call (501) 569-2532.

## **AHTD Retirees' Association Facebook Page**

The ARDOT Retirees' Association has a Facebook page that was set up and is maintained by Bettye Johnson. Our Facebook page is being enjoyed by many across the State. If you haven't checked it out, please do so at [www.facebook.com](http://www.facebook.com) and search for "AHTD Retirees Association." You may see some folks you haven't seen in a while. Please send any pictures and info to Bettye Johnson at [bcj41@cablelynx.com](mailto:bcj41@cablelynx.com).

## Important Information from the Insurance Office

Hello Retirees,

Wow, what a year we have all had! By this time in the year, I have usually made my way around the state visiting the local retiree association chapters, but this year had different plans. I have missed seeing you all.

Coming up for the 2021 plan year, there will be a couple of changes. The big change is that retirees on Medicare or Spouse on Medicare will no longer be covered under the State's Prescription Drug Program.

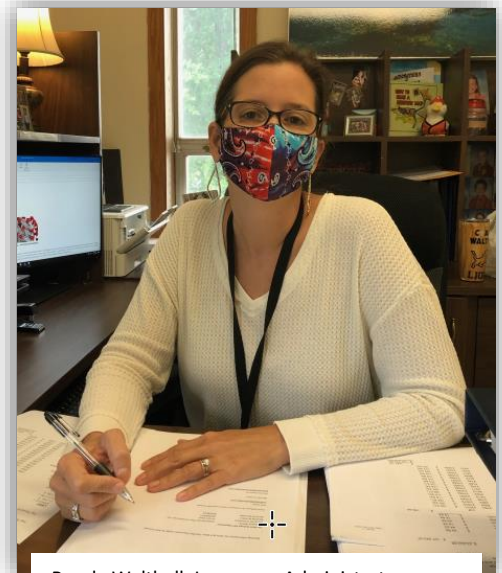

If you are on Medicare or have a spouse on Medicare, you will need to enroll in a Medicare Part D plan during Medicare's open enrollment (October 15, 2020 – December 7, 2020).

Medicare Part D is not a one size fits all. You will need to do your research and find the plan that best suits your needs. My advice to you would be to go online at [www.medicare.gov](http://www.medicare.gov), call 1-800-MEDICARE (they have counselors available to guide you), visit a local insurance agent that sells Medicare Part D plans, or visit your local pharmacy for guidance.

The other change for 2021 is that rates are going up 5%. Once we have confirmed rates and information, we will be sending that to your home address.

I hope to see you soon face to face at an association luncheon soon, but until then be safe and stay healthy.

# Stop the Spread of Germs

Help prevent the spread of respiratory diseases like COVID-19.

Stay at least 6 feet (about 2 arms' length) from other people.

Cover your cough or sneeze with a tissue, then throw the tissue in the trash and wash your hands.

When in public, wear a cloth face covering over your nose and mouth.

Do not touch your eyes, nose, and mouth.

Clean and disinfect frequently touched objects and surfaces.

Stay home when you are sick, except to get medical care.

Wash your hands often with soap and water for at least 20 seconds.

## Continued Importance of Dues:

Annual dues are still very critical to the success of our retirees' association. The district chapters are not meeting in person, so we strongly encourage meeting virtually using the Zoom app. Of course it is not the same, but it does allow you see each other in real time. All of the chapters are losing the momentum we once had prior to the Covid-19 pandemic. We need more than ever to maintain contact and support for your District Chapter. The annual dues fee has not changed, only \$15 for the retiree member and \$10 for their spouses. Each chapter secretary has a supply of 2021 Dues cards, or you can use the enclosed return envelope.

We would appreciate any ideas on how we can remain strong and attract new retirees, even after the pandemic eventually goes away.

Thanks,  
**Doyle Hughes**, State Secretary/Treasurer
