**A Special Welcome from the Arkansas State Highway Commission and the Director**

The Arkansas State Highway Commission and the staff of the Arkansas State Highway and Transportation Department invite you to explore Arkansas. Our state has a variety of scenic natural areas including lakes and rivers, forests, mountains, green valleys and croplands, as well as a natural prairie. The state's highway system provides scenic views of all these. Every area of Arkansas offers landscapes that are rich with wildlife and recreational opportunities. Our abundance of scenic byways, wildflower routes and rural roadways take motorists on unforgettable adventures.

A quick way to get better acquainted with Arkansas and what it offers is to visit one of our new Arkansas Welcome Centers. These new centers are open in Fayetteville, Corning, El Dorado, Fort Smith, Lake Village and Texarkana. Construction is underway on new centers at West Memphis and Helena-West Helena as well. Each center has information on services and attractions in the area. Multimedia presentations and museum displays are also on hand to visit.

Before you travel, we invite you to visit the Arkansas State Highway and Transportation Department on the web at [www.arkansashighways.com](http://www.arkansashighways.com). You will find up-to-date information on weather-related road conditions, Road Zone locations, lane closures and the latest gas price information.

As you travel Arkansas, keep in mind we have a program in place to help in our efforts to reduce roadside litter. Motorists are asked to report people who litter by calling our 24-hour, toll-free hotline at 866-815-1222. We will reward the vehicle's owner that there is an appropriate place for trash and that litter is not only an eyesore, but is harmful to the environment and against the law. Please do your part to help us keep Arkansas clean and green.

As always, safety on our roadways is everyone's primary concern. Please obey all traffic laws and share the road courteously so we can all enjoy the ride!

**Arkansas THE NATURAL STATE**

**STATE HIGHWAY MAP 2012**

A Message from the Governor

Governor Mike Beebe

Dear Arkansas Travelers:

Welcome to Arkansas. We call ourselves the "Natural State" for good reasons. Arkansas offers the kind of natural beauty you've been searching for, whether you want to go fishing or canoeing in our rivers, lakes, or streams or hiking in the Ozark or Crowley's Mountains. You can duck hunt in the Delta, search for the ivory-billed Woodpecker in our natural forests, or take a leisurely drive along Crowley's Ridge. Whatever you are looking for, Arkansas has many resources for you to enjoy.

People are tired of long commutes and rush-hour gridlock. That's why our rural roads provide a welcome respite for so many Arkansans. Along those roads you will find the finest system of state parks in the country. Every area of our state offers something special. You will discover that we have combined high technology and natural beauty to offer an unique quality of life.

The extensive network of highways shown on this map is maintained by the Arkansas State Highway and Transportation Department under the direction of the five-member Arkansas State Highway Commission. We recently completed a \$1-billion renovation of our Interstate System, which was by far the largest program undertaken in state history. You will likely notice that our Interstates are some of the smoothest and most enjoyable in the nation.

Please drive carefully and enjoy yourself as you travel the Natural State.
