

# ARKANSAS STATE HIGHWAY AND TRANSPORTATION DEPARTMENT

## REQUEST FOR LETTERS OF INTEREST

Notice is hereby given that the Arkansas State Highway and Transportation Department is seeking letters of interest from qualified firms to provide professional services in Contract System Architect/Project Management of the Commercial Vehicle Information Systems and Networks (CVISN) Core Capability Deployment Program in the State of Arkansas.

The work will generally consist of providing assistance to Arkansas with the development of function and technical requirements of the CVISN deployment program; develop requests for proposals/scopes of work for deployment projects; systems integration; integration, interoperability and compliance testing; development of the self-evaluation and other similar services.

A letter of interest, together with general information on the firm, the firm's brochure showing experience in similar work, Form SF-330, Parts I and II, and a resume of key personnel to be assigned to the project should be addressed to:

Mr. Frank Vozel  
Deputy Director and Chief Engineer  
Arkansas State Highway  
and Transportation Dept.  
P.O. Box 2261  
Little Rock, AR 72203

OR

Mr. Frank Vozel  
Deputy Director and Chief Engineer  
Arkansas State Highway  
and Transportation Dept.  
10324 Interstate 30  
Little Rock, AR 72209

Five (5) sets of responses must be received no later than 4:00 p.m. on October 2, 2007. Any responses received after this deadline will not be considered.

After a review of all letters of interest received, selected firms will be furnished a scope of work and requested to submit proposals for accomplishing the work.
