II. PRE-HEARING CONFERENCE

A pre-hearing conference in all contested matters is required to be held one week before the scheduled hearing date to resolve any preliminary matters. For applicants and protestants and their attorneys, if any, in the central Arkansas area, these pre-hearing conferences may be held at the offices of the Commission, located at 10324 Interstate 30, Little Rock, Arkansas. Where an applicant or protestant and/or attorney is outside the central Arkansas area, these conferences may be held by a telephone conference call. It is the responsibility of the applicant to make arrangements between all parties, including Commission staff, for this pre-hearing conference.

As soon as a hearing date is assigned, the applicant should initiate the pre-hearing conference. If any party fails to participate in the conference, such failure will constitute a waiver of all objections to any order, ruling, or agreement reached at the conference. Parties attending should be authorized to speak for their company/client as it pertains to any settlement, order, stipulation, or offer discussed at the conference.

III. HEARING

At the hearing, you should be prepared to present testimony that the applicant business is fit, willing, and able to properly perform the service proposed, and to conform to the provisions of the Arkansas Motor Carrier Act, 1955, and the requirements, rules and regulations made and promulgated by the Arkansas State Highway Commission pursuant to that Act.

Applicant and protestant must have sufficient copies of the application, all verified statements, and any other documents to be introduced into evidence available at the hearing for distribution to the Court Reporter and for the use of each witness while testifying. We recommend at least two (2) extra copies for this purpose.

Failure to comply with any of these deadlines and procedures may result in a postponement of the hearing or denial of the application.

In the event an application is made by a foreign corporation and the certificate/permit is granted to that foreign corporation, no operating authority will be issued until such corporation is domesticated with the office of the Secretary of State in Arkansas.

Should you have any questions, you may contact Lakeysha Walker or David S. Long in the Legal Division. The telephone number is (501) 569-2355 and the fax number is (501) 569-2164. Rev. 5-04
