JACKSONVILLE AREA WORK TO REQUIRE OVERNIGHT LANE CLOSURE

LITTLE ROCK (8-25) – Crews working on Highway 67/167 between Redmond Road, in Jacksonville, and Highway 440 will shift southbound traffic overnight on Thursday, August 27, according to Arkansas State Highway and Transportation Department (AHTD) officials. Weather permitting, the work will begin at 6:00 p.m. and be completed by 6:00 a.m.

Concrete median barriers will separate the northbound and southbound lanes as all traffic is placed onto the recently completed northbound side. Kiewit Southern Construction Company, of Little Rock, was awarded a \$13,677,341 in May to widen the 1.6-mile section just south of Jacksonville to three lanes.

Motorists are urged to use an alternate route if possible and to exercise caution when approaching and traveling through highway work zones.
