IMPROVEMENTS ON INTERSTATE 430 BRIDGE WILL REQUIRE LANE CLOSURE

LITTLE ROCK (1-28) Crews removing a glare screen from the Interstate 430 Bridge over the Arkansas River, between Little Rock and North Little Rock, will require a lane closure next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The improvements will require the southbound, inside lane to be closed beginning Monday, January 31st and continuing through Tuesday, February 1st. The lane closure will be in effect from 9:00 a.m. to 3:00 p.m. each day, weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
