HIGHWAY 67/167 LANE TO CLOSE CREWS TO SHIFT HIGHWAY 440 EXIT

LITTLE ROCK (2-18) -- Crews working on the Highway 67/167 widening project, between Kiehl Avenue and Highway 440 near Sherwood, will shift the northbound 440 exit on Tuesday, February 22, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Weather permitting, a northbound lane will close between the hours of 5:00 a.m. and Noon as workers shift the exit location to the south. This temporary location is closer to the permanent exit location that should be completed and opened by late spring.

Motorists should exercise caution when approaching and traveling through all highway work zones.
