LITTLE ROCK (2-23) -- Crews making guardrail repairs will require a lane closure this week and next on Highway 67 in Pulaski County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The lane closure will be located between the Interstate 440 interchange and the city of Jacksonville and will require the northbound, inside lane to be closed Friday, February 25th and again Monday, February 28th through Friday, March 4th.

The lane closure will be in effect between the hours of 9:00 a.m. and 3:00 p.m. each day, weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
