IMPROVEMENTS TO INTERSTATE 30 IN NORTH LITTLE ROCK TO REQUIRE LANE CLOSURE

LITTLE ROCK (3-25) -- Crews doing surfacing work will require a lane closure next week on Interstate 30 in North Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The lane closure will be located in the Interstate 30/Interstate 40 interchange area near the JFK Boulevard (Highway 107) ramp and will require the eastbound, inside lane to be closed Monday, March 28th and Tuesday, March 29th.

The lane closure will be in effect between the hours of 9:00 a.m. and 3:00 p.m. each day, weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
