HAPPENING NOW

I-30 RIVER BRIDGE LANE REPAIR

LITTLE ROCK (5-3) – The eastbound I-30 river bridge outside lane at the Broadway Exit is currently closed for a highway repair and will not be finished until about 6:30 this evening, according to Arkansas State Highway and Transportation Department (AHTD) officials.

A piece of steel was discovered sticking through the concrete. Crews had to cut the piece off and then patch the concrete roadway. There is no other cause for safety concerns.
