BRIDGE INSPECTION ON INTERSTATE 440 TO REQUIRE WIDTH RESTRICTION ON INTERSTATE 30 EXIT

LITTLE ROCK (5-6) -- Crews doing a routine bridge inspection on Interstate 440 in Little Rock will require a width restriction next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The width restriction will be located at the westbound Interstate 440 Exit Ramp to eastbound Interstate 30. Clearance will be reduced to nine feet on the eastbound ramp on Sunday, May 8th.

The width restriction will be in effect between the hours of 7:00 a.m. and 3:00 p.m., weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
