REPAIRS IN VICINITY OF WATER MAIN BREAK TO REQUIRE LANE CLOSURE ON BASELINE ROAD

LITTLE ROCK (7-21) -- Crews making final repairs to Baseline Road in the vicinity of a water main break that occurred last Sunday will require a lane closure beginning Monday, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The lane closure, in the 5300 block of Baseline, will require both westbound lanes to be closed Monday, July 25th and Tuesday, July 26th. The lane closure will be in effect beginning at 9:00 a.m. on Monday and will continue until work is completed on Tuesday, weather permitting. Both directions of traffic will be routed through the area utilizing the eastbound lanes.

Motorists should exercise caution when approaching and traveling through all highway work zones.
