PINE BLUFF RESURFACING WORK TO REQUIRE LANE CLOSURE

LITTLE ROCK (9-7) -- Crews will be making improvements to the driving surface at the intersection of Olive Street and Harding Avenue (Highway 63B) in Pine Bluff, beginning on Monday, September 12, according to Arkansas State Highway and Transportation Department (AHTD) officials. The work should be completed by the end of that week.

Weather permitting, the work will require a single lane closure in each direction each day from 7:00 a.m. until 7:00 p.m. Motorists should expect to encounter flagging operations and short delays during construction.

For more information contact the District 2 Headquarters in Pine Bluff at 870-534-1612 during normal business hours.
