IMPROVEMENTS TO HIGHWAY 128 IN HOT SPRING COUNTY TO REQUIRE ROAD CLOSURE

LITTLE ROCK (10-14) -- Crews replacing drainage culverts under Highway 128 in Hot Spring County will require the road to be closed for three days next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The improvements, located near Jack Mountain, will require the roadway to be closed beginning Monday, October 17th and continuing through Wednesday, October 19th. The road closure will be in effect between the hours of 8:00 a.m. and 4:00 p.m. each day, weather permitting. Message boards will be in place on Highways 84 and 290 to route traffic through the area.

Motorists should exercise caution when approaching and traveling through all highway work zones.
