### **ARKANSAS STATE HIGHWAY COMMISSION OPENS BIDS FOR IMPROVEMENTS IN PULASKI COUNTY**

**LITTLE ROCK (4-13)** -- The Arkansas State Highway Commission has opened bids for improvements to a roadway in Pulaski County, according to Commissioner Tom Schueck of Little Rock.

The purpose of the project is to improve the skid resistance on Interstate 430. Jack B. Harper Contractor, Inc. of Mandeville, Louisiana, was awarded the contract at \$68,782.50.

“This project will improve the concrete texturing on the hill between Highway 10 and the Arkansas River Bridge in order to reduce the possibility of skidding in the area when the driving surface is wet,” stated Schueck.

Schueck said work could begin on the projects in two to four weeks, weather permitting. Completion is expected by the end of this month.
