ROUTINE INSPECTION OF INTERSTATE 440 BRIDGE TO REQUIRE LANE CLOSURE

LITTLE ROCK (1-20) -- Crews performing a routine inspection of an Interstate 440 Bridge located between the Interstate 30/440/530 Interchange and the Little Rock National Airport will require a lane closure next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The inspection will require the eastbound, outside lane of Interstate 440 to be closed beginning Monday, January 23rd and continuing through Friday, January 27th. The lane closure will be in effect between the hours of 9:00 a.m. and 3:00 p.m. daily, weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
