REPAIRS TO HIGHWAY 77 BRIDGE NEAR MANILA REQUIRE LANE CLOSURE

LITTLE ROCK (1-23) -- Crews performing piling repairs to a bridge on Highway 77 south of Manila have closed one lane of the bridge, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The northbound lane of the bridge, located over the Right Hand Chute of the Little River, is expected to remain closed for several weeks. All traffic is utilizing the southbound lane and is being controlled by temporary traffic signals.

Motorists should exercise caution when approaching and traveling through all highway work zones.
