MAINTENANCE TO HIGHWAY 7 IN GARLAND COUNTY TO REQUIRE LANE CLOSURE

LITTLE ROCK (1-26) -- Crews performing shoulder work will require a lane closure next week on Highway 7 in Garland County, just south of Lake Hamilton in the community of Lake Hamilton, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The repairs will require an alternating lane closure of the northbound and southbound lanes beginning Monday, January 30th and continuing through Wednesday, February 1st. The lane closure will be in effect between the hours of 9:00 a.m. and 3:00 p.m. daily, weather permitting. Flaggers will route traffic through the construction area.

Motorists should exercise caution when approaching and traveling through all highway work zones.
