LITTLE ROCK (10-26) -- Crews performing a routine bridge inspection on the Interstate 30 Bridge over the Arkansas River between Little Rock and North Little Rock, will require lane closures this Sunday, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The bridge inspection will require the northbound and southbound outside lanes to be closed on Sunday, October 28th. The lane closures will be in effect between the hours of 6:00 a.m. and 3:00 p.m., weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
