ARKANSAS STATE HIGHWAY AND TRANSPORTATION DEPARTMENT OPENS BIDS FOR IMPROVEMENTS IN HOWARD COUNTY

LITTLE ROCK (7-25) -- The Arkansas State Highway and Transportation Department has opened bids for improvements to a roadway in Howard County, according to Howard County Judge Kevin Smith.

The purpose of the project is to resurface approximately 1.1 miles of selected sections of Landfill Road, near the Pike County line. Martin Marietta Materials, Inc., of Hot Springs, was awarded the contract at \$349,071.32.

“The improvements will begin at Highway 369 and continue eastward,” said Judge Smith.

The County Road project is funded through the State Aid Road Program established by the legislature and administered by the State Aid Division of the Arkansas State Highway and Transportation Department. This program provides approximately \$20 million annually from the state motor fuels tax to assist counties with projects of their choosing on the county road system.

Judge Smith said work could begin in two to four weeks, weather permitting. Completion is expected in late summer of this year.
