INFORMATION RELEASE REVISED

May 28, 2013

Kelley Highway On and Off Ramps to Be Closed in Fort Smith

FORT SMITH (May 28) The Contractor has informed the Arkansas State Highway and Transportation Department District Four Headquarters at Fort Smith of planned closures of the on and off ramps for I-540 at the Kelley Highway interchange in Fort Smith.

Beginning at 12 a.m. (midnight) Wednesday, May 29, the ramps for traffic exiting to and entering from Kelley Highway in the southbound direction of I-540 will be closed. The ramps are expected to be re-opened to traffic by 3 a.m. The closure is necessary to allow paving of the main lanes of I-540 in this area.

The ramp closures will be also be in place between the hours of 7 p.m. and 11 p.m. on Wednesday and Thursday, May 29 and 30, to allow for successive layers of asphalt paving in this area.

Adjustment of the times of the ramp closures may be required due to weather or other unforeseen conditions.

Motorists are advised to consider alternate routes to reduce congestion in the work zone.

In November, 2012, the Arkansas Highway Commission awarded a contract, in the amount of \$78.8 million, to Kiewit Infrastructure South Company of Fort Worth, Texas. Work on the project is expected to be complete in mid-2014.

Motorists are urged to use care and think ahead when traveling through the work zone. Motorists should **Obey the Posted Speed Limits and Other Regulatory Signing; Maintain a Steady Speed; Leave Room Between Vehicles; Be Aware of Road Conditions; and Anticipate the Need to Stop or Reduce Speed Substantially.**

Up-to-date information on lane closures on this and other projects in the state is available at www.arkansashighways.com.
