CONSTRUCTION OF BICYCLE/PEDESTRIAN PATH REQUIRES LANE CLOSURE ON HIGHWAY 100 IN MAUMELLE

LITTLE ROCK (7-29) – The construction of a new bicycle and pedestrian path will require a lane closure on Highway 100 (Maumelle Boulevard) in Maumelle, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work will require the eastbound outside lane of Highway 100 (Maumelle Boulevard) to be closed from Arnold Palmer Drive to Crystal Hill Road.

The closure will begin Wednesday, July 31st and will continue weekdays between 9:00 a.m. and 9:00 p.m., weather permitting. The lane closures are expected to be necessary for approximately 4 months. Traffic will be controlled using barrels and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
