BRIDGE REPAIRS ON INTERSTATE 40 REQUIRE LANE CLOSURES IN CARLISLE

LITTLE ROCK (9-13) – Bridge repairs will require lane closures on Interstate 40 in Carlisle, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work will be performed on the Highway 13 (North Bankhead Drive) overpass in Carlisle. It will require closing the westbound inside lane between mile markers 182 and 184.

These closures will be Monday, September 16th and Tuesday, September 17th between 9:00 a.m. and 3:00 p.m., weather permitting.

Traffic will be controlled using barrels and warning signs. Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
