LIGHT MAINTENANCE REQUIRES LANE CLOSURE ON INTERSTATE 30 ARKANSAS RIVER BRIDGE IN LITTLE ROCK

LITTLE ROCK (3-11) – Light maintenance will require a lane closure on the Interstate 30 Arkansas River Bridge in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will replace a navigational light on the east side of the bridge. The work will require closing the I-30 eastbound outside lane.

The lane closure will be Thursday, March 13th between 9:00 a.m. and 3:00 p.m., weather permitting. Traffic will be controlled using cones and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
