BRIDGE REPAIRS REQUIRE LANE CLOSURE ON INTERSTATE 30 IN LITTLE ROCK

LITTLE ROCK (6-13) – Bridge repairs will require lane closures on Interstate 30 in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will repair the bridge deck on the Arch Street overpass. The work will require closing the eastbound outside lane of Interstate 30. The lane closure will extend east from near 65th Street (mile marker 134) to the I-30/I-530/I-440 interchange (mile marker 137).

The lane closures will be Monday, June 16th through Tuesday, June 17th, between 9:00 a.m. and 3:00 p.m., weather permitting. Traffic will be controlled using barrels and warning signs. The work had been scheduled to be complete June 12th, but work was postponed that week, due to weather.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
