UPDATE!!!

Construction Requires Temporary Lane Closure in Jacksonville

PULASKI COUNTY (4-22) – Construction work on U.S. Highway 67 will require a temporary lane closure on Main Street in Jacksonville, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Traffic on Main Street will be reduced to one lane in each direction starting on **Monday, April 25** from **9:00 a.m. to 5:00 p.m.** and will continue daily through **Thursday, April 28**, weather permitting. The contractor will also utilize short intervals of stopped traffic during the hours of **9:00 a.m. to 3:00 p.m.** to allow for installation of structural steel over the roadway.

Traffic will be controlled with traffic cones, flaggers and signs. This work is part of the project to widen U.S. Highway 67 and U.S. Highway 167 to three lanes in each direction and replace the Redmond Road and Main Street Bridges.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
