## One Lane Closed After Accident Leaves Heavy Equipment Stranded

**VAN BUREN COUNTY (8-30)** – An accident on State Highway 124 involving a tractor trailer carrying a large piece of industrial equipment has left one lane closed near the Cadron Creek Bridge, according to Arkansas Highway and Transportation Department (AHTD) officials.

No damage was done to the bridge itself, but the company that is recovering the industrial equipment has received a permit to close State Highway 124 **Tuesday**, **August 30 (tonight)**, **from 6:00 p.m. to 5:00 a.m.** Wednesday morning.

Local traffic (residents) will be allowed. Law enforcement will be present during this time rerouting traffic around the closure. See attached map for detour information.
