Improvements Require Temporary Closure of State Highway 160 in Ashley County

ASHLEY COUNTY (2-17) – Replacing a culvert on State Highway 160 will require a temporary road closure east of the city of Snyder in Ashley County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

On **Wednesday, February 22, at 6:00 a.m.** the entire roadway will be closed to through traffic. The roadway will open at **6:00 p.m.** the same day, weather permitting.

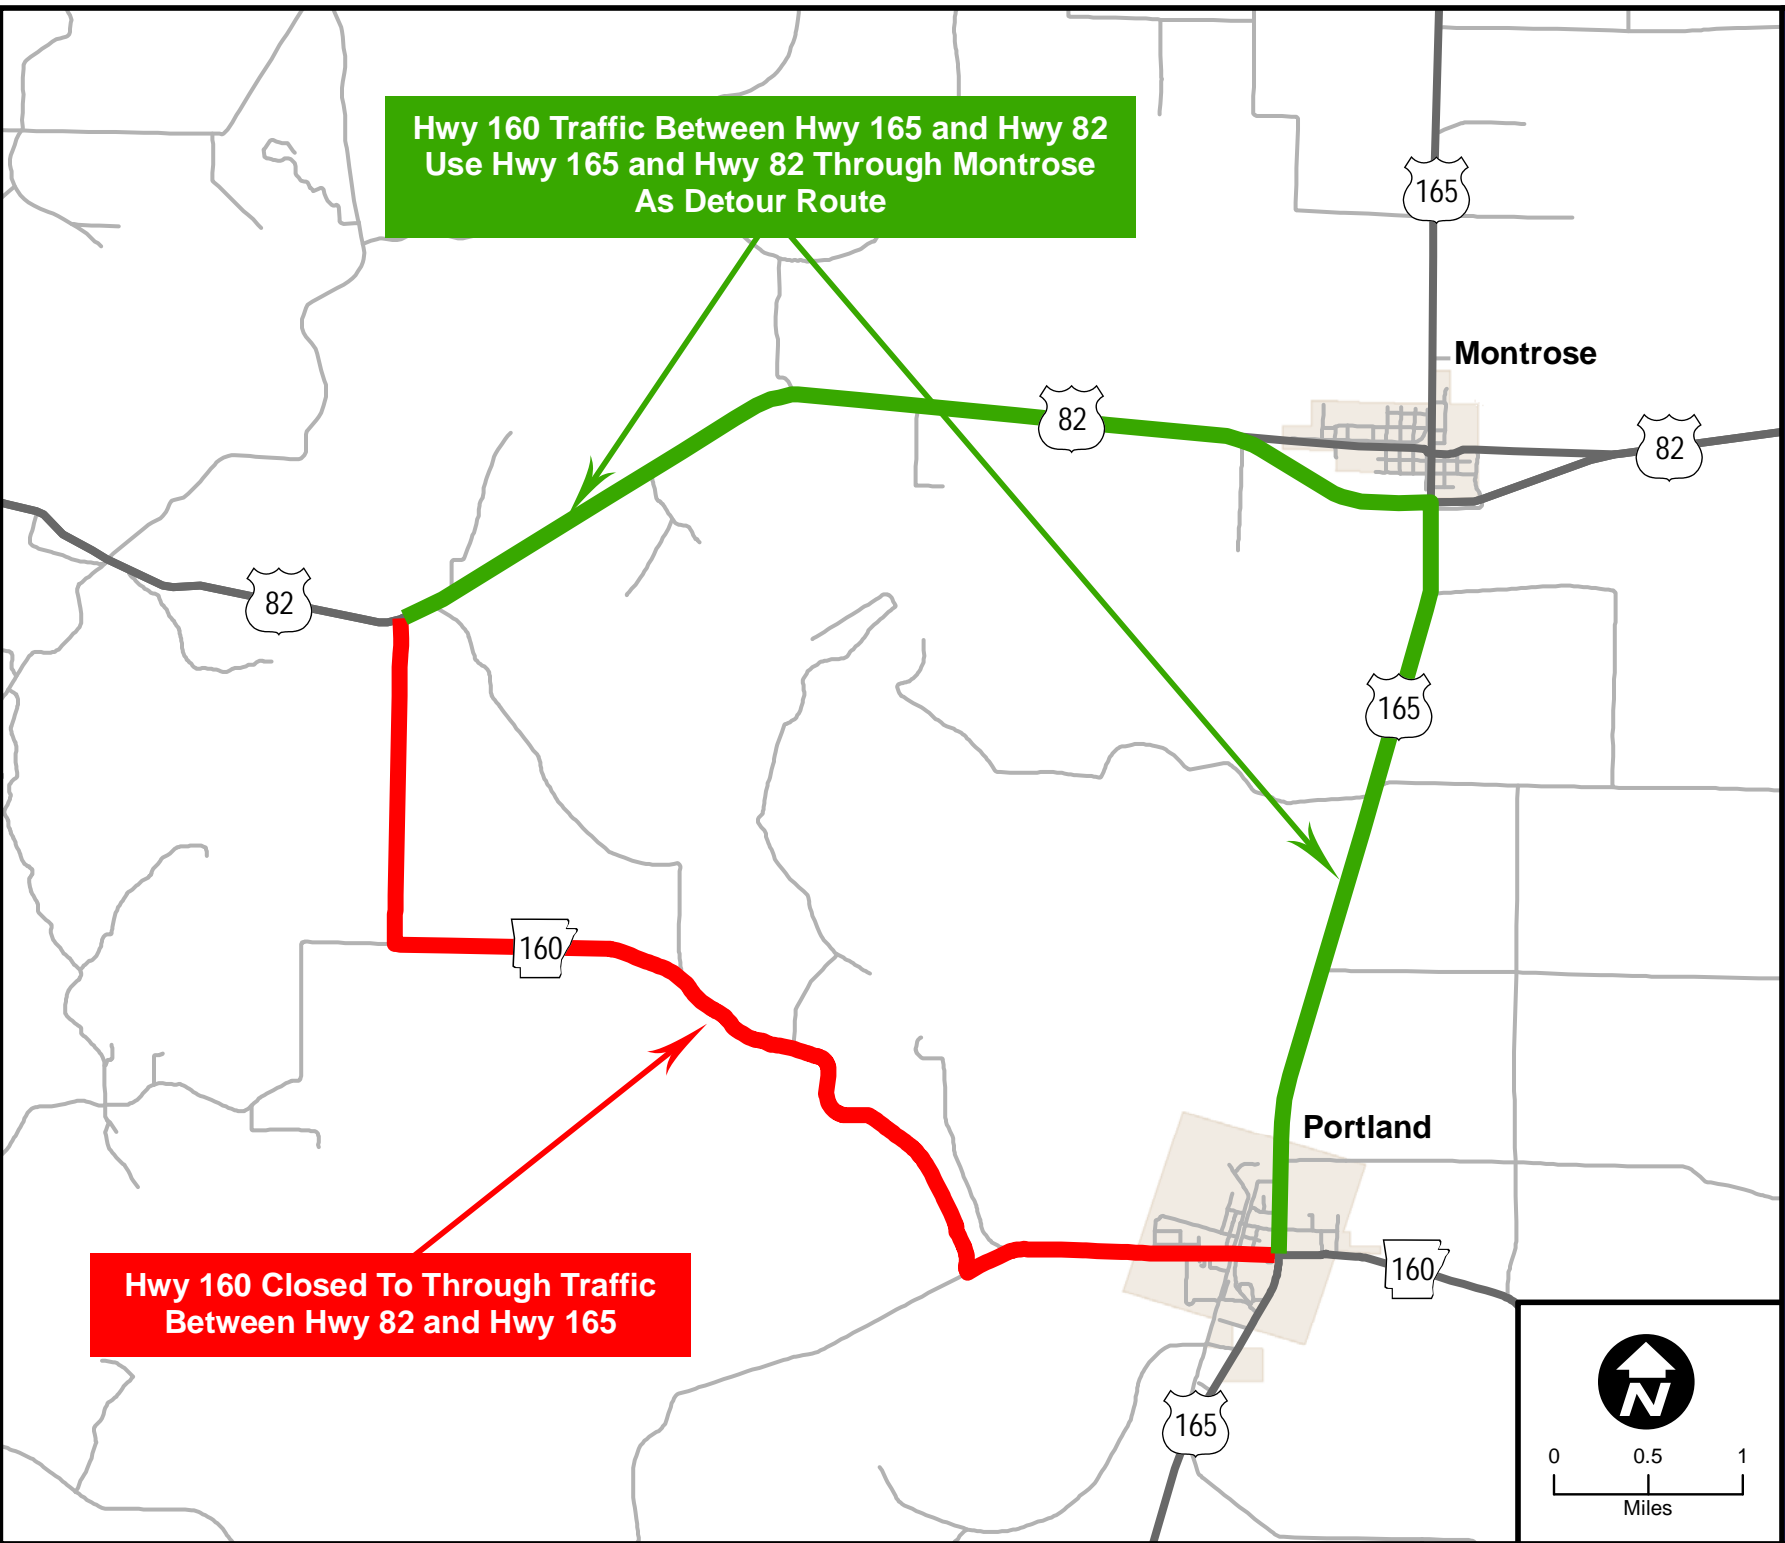

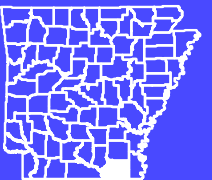

Traffic will be controlled using advance warning signs and traffic drums. A temporary detour will be set up to guide motorists around the work area. See attached map.

This work will consist of removing and replacing the existing drainage structure at this location and then reconstructing the roadway, shoulders and slopes.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).

Highway Closure Ashley County

Hwy 160 Traffic Between Hwy 165 and Hwy 82
Use Hwy 165 and Hwy 82 Through Montrose
As Detour Route

Hwy 160 Closed To Through Traffic
Between Hwy 82 and Hwy 165
