### **Construction Requires Alternating Lane Closures in Benton County**

**BENTON COUNTY (10-22)** – Construction work requires alternating lane closures on the State Highway 12 Bridge over Beaver Lake in Benton County, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, crews will close one lane of the Beaver Lake Bridge on State Highway 12 east of Rogers for bridge deck rehabilitation. The closure will begin at **9:00 a.m.** on **Tuesday, October 23** when one lane of the bridge will be closed for hydro-demolition and deck resurfacing. The work requiring one lane of traffic over the bridge will alternate between the eastbound and westbound lanes, and is expected to take three weeks to complete.

American Contracting & Services, Inc. was awarded this bridge deck rehabilitation contract for \$1,066,110.00

Traffic over the bridge will be controlled with a temporary traffic signal, signage, and channelization devices. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at [IDriveArkansas.com](http://IDriveArkansas.com) or [ARDOT.gov](http://ARDOT.gov).
