### **Improvements to State Highway 14 Require Overnight Lane Closures**

**MISSISSIPPI COUNTY (2-7)** - Improvements to State Highway 14 require temporary overnight lane closures just west of the town of Marie, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, crews will alternately close all lanes two miles north and two miles south of the Interstate 55 interchange (I-55 Exit 41) for **15 minute increments** between **11:00 p.m. and 5:00 a.m.** These lane closures will occur as follows and allow crews to hang structural steel:

- Southbound lanes will close on Monday, February 10 – Friday, February 14
- Northbound lanes will close on Wednesday, February 12 – Wednesday, February 19

Traffic will be controlled by traffic barrels and signage. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at [IDriveArkansas.com](http://IDriveArkansas.com) or [ARDOT.gov](http://ARDOT.gov).
