Environmental Cleanup Requires Overnight Shoulder Closures on Interstate 40

LONOKE COUNTY (10-2) – Environmental clean-up requires overnight shoulder closures on Interstate 40, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, remediation contractors with ARTG Environmental, LLC, will close the eastbound inside shoulder of I-40 beginning **Monday, October 5**, from **6:00 p.m. to 8:00 a.m.** to conduct a fuel spill cleanup inside the median at Mile Marker 167 between the Kerr Road Exit and the Highway 15 Exit. This work will involve removal and replacement of topsoil and is expected to last approximately seven days to complete.

Traffic will be controlled by signs, message boards, and traffic cones. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
