### Work on Interstate 30 Requires City Street Lane Closures in North Little Rock

**PULASKI COUNTY (10-22)** – Crews performing work along the Interstate 30 corridor in North Little Rock will require frontage road and city street lane closures, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, crews will put the following closures into effect the week of **Monday, October 26.**

- Bishop Lindsey Ave. | **7:00 a.m. – 5:00 p.m. | Monday, October 26 – Friday, October 30** | Full closure between Cypress St. and Olive St.
- Northbound I-30 Frontage Rd. | **7:00 a.m. – 5:00 p.m. | Tuesday, October 27 – Wednesday, October 28** | Left lane between Broadway St. and Bishop Lindsey Ave.

Traffic will be controlled by signage, construction barrels, and barriers. The public is advised to be cautious when traveling in the work zone and **watch for slower traffic speeds.**

The 30 Crossing project (Job CA0602) is part of ARDOT's Connecting Arkansas Program that was approved by voters in 2012. It is being funded with the proceeds from the temporary ½-cent sales tax that is set to expire in 2023. The passage or failure of Issue 1 at the polls this November will have no impact on the 30 Crossing work that is beginning this fall, including the construction of a new Arkansas River bridge and improved access to both downtowns. More information on the CAP is available at [ConnectingArkansasProgram.com](http://ConnectingArkansasProgram.com).

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at [IDriveArkansas.com](http://IDriveArkansas.com) or [ARDOT.gov](http://ARDOT.gov). You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
