### **Draft Traffic Noise Reports Available for Public Review with Virtual Meeting to Follow**

**Washington and Benton Counties (12-18)** – The Arkansas Department of Transportation (ARDOT) has completed draft traffic noise reports for a series of main lane widening and interchange improvement projects along Interstate 49 in Washington and Benton Counties.

The noise study identified a total of 18 noise analysis areas, and will be used to determine the potential for future noise barrier construction at select locations. The study was delivered as two reports, one for Washington County and one for Benton County.

The Department is making the draft traffic noise reports available for review in preparation for a virtual noise meeting that will occur in January 2021. The traffic noise study reports can be viewed at the links below.
