AHTD Wins 4th Consecutive Regional Roadeo

The locale for the Southern Regional Equipment Operators Roadeo may change from year to year, but the outcome has always remained the same. That's good news for the AHTD as they won this year's Roadeo held October 3rd and 4th making four consecutive years the Department has come away as champions. That also happens to be the number of years the regional competition has taken place.

The temperatures were on the warm side in Savannah, Georgia, as the competition got underway. This year's Roadeo saw teams from Arkansas, Georgia, Mississippi, North Carolina, South Carolina and Tennessee competing.

The AHTD team included Johnny Carte of Subiaco representing the Maintenance Division in the Tractor Mower event; Jerry Mitchell of Wynne representing District 1 in the Motor Patrol event; Darrell Barnes of Atkins representing District 8 in the Tractor/Lowboy event; David Morton of Lewisville representing District 3 in the Backhoe event; Todd Clifford of Paragould representing District 10 in the Single Axle Dump Truck event; Gary Fendley of Cherry Valley representing District 1 in the Tandem Axle Dump Truck event; William "Hickey" Hickman of Camden representing District 7 in the Motor Patrol event; Yvonne Blair of Waldron representing District 4 in the Single Axle Dump Truck event; Fred Ridenhour of Waldron representing District 4 in the Tractor Mower event; Jimmy Eldridge of Des Arc representing District 5 in the Tractor/Lowboy event; Larry Brazil of Houston representing District 8 in the Backhoe event; and David Pruitt of Atkins representing District 8 in the Tandem Axle Dump Truck event.

After a full day of competition, participants enjoyed a banquet and an awards ceremony on a riverboat cruise

down the Savannah River. The top three places went to Arkansas, Mississippi and Georgia.

"We are extremely proud of the team we sent to Georgia," stated AHTD Director Dan Flowers. "The level of skill each state's team displays at the regional competition is very impressive, and it is an honor for our team to come back to Arkansas as Roadeo Champions."

The 2007 Regional Roadeo will be hosted by the North Carolina Department of Transportation.

The AHTD has enjoyed keeping this championship trophy since the inaugural Southern Regional Equipment Operators Roadeo in 2003.

Health Risk Assessment

For employees who receive their health insurance through AHTD, don't forget to take the health risk survey during the month of October. It could be the first step toward a healthier you!

Log on to www.ARBenefits.org or call 866-456-3950 between October 1st and 31st to answer a few simple questions.

Once you have completed the survey, you'll receive an automatic \$10 a month discount on your health insurance premiums. An additional \$10 monthly discount may be awarded based on your overall wellness score. This year, the additional \$10 discount opportunity will be awarded based on all five health behaviors: physical activity, body mass index, safety belt use, alcohol use and tobacco use.

If you take the survey online, you'll also receive a personalized wellness report. The report uses your responses to outline your health behaviors and offers resources and suggestions for improving your health. Each report will detail services offered by ARHealth/ARWellness that may be useful to you including nutrition/weight management, tobacco cessation and Employee Assistance Program (EAP) services.

It only takes a few minutes to complete the survey. Don't miss the October 31st deadline.
