

REQUIRED CONTENTS OF BIDDING PROPOSALS FEDERAL-AID PROJECTS

1) **FHWA-1273**

Each set of contract documents shall include FHWA-1273, "Required Contract Provisions, Federal-aid Construction Contracts," and such supplements that may modify the FHWA-1273. Copies of FHWA-1273 and supplements will be provided by the Department.

2) **Anti-Collusion and Debarment Certification**

The certification shall either be in the form of an affidavit executed and sworn to by the bidder before a person who is authorized by the laws of the State to administer oaths or in the form of an unsworn declaration executed under penalty of perjury of the law of the United States. The required form for the Anti-Collusion and Debarment Certification will be provided by the Department. The certification includes:

- Anti-collusion - A statement executed by, or on behalf of the person, firm, association, or corporation submitting the bid certifying that such person, firm, association, or corporation has not, either directly or in-directly, entered into any agreement, participated in any collusion, or otherwise taken any action, in restraint of free competitive bidding in connection with the submitted bid.
- Debarment - A statement regarding debarment, suspension, ineligibility and voluntary exclusion as required by Title 2 of the United States Code of Federal Regulations, Part 180 (2 CFR Part 180).

Failure to submit the executed Certification as part of the bidding documents will make the bid nonresponsive and not eligible for award consideration.

3) **Lobbying Certification**

This certification is required by 49 CFR 20. The form for this certification will be provided by the Department.

4) **Davis-Bacon Pre-determined Minimum Wage Rates**

Davis-Bacon requirements apply to all projects greater than \$2,000 that are physically located within the existing right-of-way of a functionally classified city street or highway. The Davis-Bacon wage rates will be provided by the Department.

5) **"Buy America" Provisions**

Because federal highway funds are included in this project, "Buy America" requirements, as specified in Title 23 of the United States code Section 313 and Title 23 of the code of Federal Regulations Section 635.410, apply to this project. This requirement applies to all iron and steel products used on the project. A section of the bidding documents should specify these requirements as part of the project and it should at least be noted in the advertisement for bids.
